Essen M Deli is one of the last old fashioned delis in New York, and part of an even smaller amount in Brooklyn. From the Homemade deli meats to the authentic Chinese, there is nothing like it anywhere in the area. All of the meats are cured and smoked by hand in house with no machinery and preservatives involved. It is the personal touch that sets us apart. The food the service and the atmosphere that we have is second to none and has everyone leaving, attesting to the fact that,

"There is nothing like

FrEssen at the Essen DelicatEssen!"
